Exalted Ruler Message — Justin Disterhaupt

Welcome to Fall! Is it really that here? Do you officially consider it to be the fall season? When do you make that shift mentally? Is it when: the temperatures drop, the leaves start to turn colors, the kids are back in the classrooms, the clocks are turned back an hour, or as indicated on the calendar?

A couple of newsletters ago I shared some personal information about myself. Since that publication I have been approached and asked more questions. The most common question has been about my hobbies. I'm willing to share one for those who may be interested. Since I was eight years old, I have been deer hunting with my father. This experience has changed over the years to incorporate my brother-in-law and my four nephews. This week of November has become sacred: traditions have been passed down, experiences are shared, and memories continue to be created. This is bonding. This is brotherly love. Enough about me – on to the Elks!

Both August and September featured

music on Tuesday and Wednesday evenings at your Elks lodge! Those steamy summer nights were filled with booming bass beats, hypnotizing guitar riffs, attention demanding brass soul, and musical talent so enchanting that the gods of Greek Mythology dared not interrupt.

Have you experienced the pulsating thrill of the Blues Jam on Tuesday evenings? Life is often busy. I may be young, but I've learned that life is too short, and we do need to enjoy it. Be happy. Hug family and friends. Spend time with them. Create memories. What are you waiting for?

The next couple of months things start to pick up again at the lodge after the summer lull. Besides the musical bliss, the facilities are utilized by dart and pool leagues, corn hole tournaments, pinochle groups, private parties, etc. I've found that many people are not aware of this. If you or a friend is not a member, please become a member. It is because of our members that we are able to have

this space to host events. Please refer to the notification in this newsletter for the booking of space for your next event!

Lodge meetings are held the first and third Thursday of each month. You are a member and this is your lodge, and lodge meetings are open for you to attend. Your opinions matter to us. Just bring your membership card. If you would like to be involved in some capacity, please attend a meeting. Typically, the meeting held on the third Thursday of the month is reserved for the new member initiation ceremony. The Officers and I would love to see you and visit with any questions or concerns.

Thank you for the continued support of our lodge. Without your membership and patronage, we would not be able to support local: including the sponsorship of 30-40 community groups per year and in-kind donations of around \$100,000 annually. Elks Care! Elks Share!

Secretary's Corner

Greetings, fellow Elk members. Winter is just around the corner and I would like to remind all Elk members that there are several projects that require volunteer help at the Elks. These include the Hoop Shoot, Children's Christmas Party, Battle of the Bands Scholarship Night and the Halloween Trunk or Treat, just to name a few. Please consider contacting one of the Chair officers if you are interested in giving a hand to those in need.

A second letter went out a month ago to those who have not paid their dues. If you haven't, please consider doing so. Your dues go to support the many projects we hold at the club as well as the other groups in our community including Camp Grassick.

Homecoming is just about here where our 25- and 50-year members receive their respective pins and appreciation for their years of support the Elks 1199.

Again, thank you for all your support of Elks 1199.

From the Office

Members and guests, thank you for your support over the summer, thanks to you summer was a success.

We have several events planned for your enjoyment over the next few months. Please check your newsletter for the dates and times of these events.

We will be holding live music in the TR Bar on most Saturday nights for your enjoyment. Seafood is starting up October 15th with some new plated meals for your pleasure, Oyster Stew, Shrimp and by demand Derek's Saturday Seafood special. Two burger baskets of your choice every Thursday night in the TR Bar. Our weekly special added to our menu each week. The Blues Jam on Tuesday nights. And our daily drink specials as well as our Happy Hour.

This is a very different atmosphere these days in the food and beverage industry, as most of you have noticed. Everyone is working with a limited staff and hours of operations and the demands seem to be getting greater. They are not miracle workers just very dedicated to Elks 1199 and its members. Our staff does a fantastic job taking care of you our customers and making sure we all enjoy fantastic service and product every open hour. Please take the time to say thank you to these hard-working people, they do deserve it very much. As we watch other places closing most due to staffing shortages thank God, we have such a special dedicated staff. They do it for you. So again, thank you for all your support.

The Management Team

Gaming News

Elk's members, fall is upon us and we have a new twist on our Annual Raffle. We will not be sending out tickets like we have in the past. However, they will be available in the office for purchase, around the end of October. The prizes will be different to give it a bit of a twist. As of the time of this newsletter we are in the process of finalizing the Raffle details and there will be some very nice cash prizes to be given away.

We are adding some new games to our E Tab Machines. Please stop down and give them a try. As always, we do have Pull Tabs, Prize Boards and Sports pool boards for your enjoyment.

Your charitable dollars at work have helped; Cystic Fibrosis, Bismarck Parks and Rec., Pride Inc., American Heart Association, St. Mary's High School, Morton County Sheriffs Department, Ministry on the Margins, Elks National Foundation and given away 7,000.00 dollars in local Scholarships.

Thank you for your support of Elks 1199.

Arlan Scholl – Gaming Manager

Chairperson and Committee needed for Sickness and Distress

We, as Elks, firmly believe in caring for and about one another. Yes, that means we do care about you! The Officers are looking for a volunteer to chair the sickness and distress committee. The Chair Person will build a committee of volunteers to look out for one another and report to the Lodge so we as members can pray for them and acknowledge them in a time of need. Pete Baumgartner was the Chairperson for years and he did an OUTSTANDING job of calling people, visiting people in the hospital or at their home.

If you would like to be a champion and step forth and chair this committee, please call Tammy at 701.400.9482. Tammy will provide additional details.

As Elks, we care! #18367
