Exalted Ruler Message — Brant R. Boeckel

Greetings All,

I hope everyone has enjoyed their summer and is looking forward to a wonderful fall. This season brings children heading back to school and football games kicking off. While summer is usually a slower time for our lodge, we've kept busy with events and planning for the months ahead.

Our recent Labor Day Corn Feed was a big success, and plans are already in motion for next year's event. The Rocky Mountain Oyster Feed is also in the works—stay tuned for dates. The same sweet corn featured at the Labor Day event will be served again there. Looking ahead, our Halloween Trunk or Treat will be held in the parking lot—or inside if the weather requires it. Saturday Seafood returns on October 18, with

plans to serve in both the TR Bar and the Speakeasy.

There are still 900 Club Raffle tickets available, so be sure to grab yours while they last. And don't forget to take advantage of everything our lodge offers: Friday and Saturday dining, the men's and ladies' locker rooms, and the historic TR Bar upstairs.

Work on repairing the outdoor sign will begin later this September or in early October. A little history: our current building opened in 1966, originally sitting on 13 acres of lodge property. Today, at nearly 60 years old, the building shows its age with challenges such as water main breaks and a failing cooling system. The exciting news is that we are actively exploring the possibility of acquiring a new lodge building better suited to our current membership and usage. These plans are in the early stages, and we

will share more details as they develop.

This is why membership and active participation in the club are so important. Your involvement helps ensure we can provide a strong lodge home for both our members and guests while we plan for the future.

Remember, lodge meetings are held on the 1st and 3rd Thursdays of each month. All members with a current card are welcome to attend, with the 3rd Thursday reserved for initiation.

Benevolently,

Brant R. Boeckel, Exalted Ruler
Bismarck-Mandan Elks Lodge #1199

It is my sad duty to announce the death of Ken Novak, Brach Johnson, Wade Anderson, Robert Rathburn, Quentin Spitzer, Clement Weber and Larry Robinson. May their virtues be written on the tablet of love and memory.

ELKS
Every Member Begins as a Guest!
NEW MEMBER RECRUITING

Every member begins as a guest! As Elks, we are always looking for good people to become members and future friends.

We would like to encourage you to please bring someone that you think could be a prospective member to these events, allow us to let them know what we are about, including Camp Grassick (our state project), and all our other community services provided by our Elks Lodge. We will be providing tours of our lodge and will have beverages and snacks to enjoy.

Our goal this year is to reach 2,500 members. To do this we will need the support of our current members. If every member signed up 1 member this year, we would be number 1 in the nation again.

ND Elks State Convention

Bismarck-Mandan Elks Lodge was honored to be the host of this year's ND Elks State Convention. We had a great turnout from throughout the state. Both the Ladies Luncheon and the special group outing was on the Lewis & Clark Riverboat and several officers also visited our state project: Elks Camp Grassick. The Lodge Floor was all decked out for the formal banquet where The Ravens provided live music after. The weekend ended with a beautiful performance from the Elks Men's Chorus during the Memorial Service. Thank you to everyone who made this year's convention a success!

Thank you to our special guests:

Grand Exalted Ruler Bryan R. Klatt and First Lady Susan
Special Deputy Grand Exalted Ruler Steven Davis
North Dakota Elks State President Charles Webster
NDEA District Deputy, Clay Greenwood

TRUSTEES REPORT

Procedure for Proposal to Sell the Elks Building

The Board of Trustees and the Board of Managers of the Bismarck-Mandan Elks Lodge 1199 have come to the difficult decision that we will have to relocate our Elks lodge and club from its current building. The building is getting old and the costs of maintaining this building with a diminishing and aging membership is no longer financially feasible. The procedure for selling our lodge building set out by the Grand Lodge Statutes is as follows:

A written proposal for the sale must be read on the Lodge floor at least two but not more than 8 weeks prior to the scheduled date for a vote. The proposal must set forth the proposed sale of the property, the persons authorized to act for the Lodge and the amount to be received by the Lodge. A Notice of the date, time and location of the regular or special meeting at which the proposal is to be voted is to be provided to each Member of the Lodge at least 10 Days before the scheduled meeting. At the meeting the proposal to sell the property must be approved by at least 2/3 of the Members present. Once the proposal to sell has been approved by 2/3 of the Members, the Proposal must be submitted to the Grand Lodge for its approval and determination that the Proposal is financially sound and in the best interests of the Lodge and the Order.

Secretary's Corner

Fellow Elks Members; fall is upon us, I hope everyone had a great summer.

As we move into fall there are several Lodge activities I look forward to; Football Picks in the TR Bar, Seafood Saturday, Trivia, and Hoop Shoot just to name a few. If anyone is interested in partaking in any of these activities stop by, we would love to see you.

Fall is also a great time to invite friends or family members to join your lodge, it's a great place to go for a fantastic meal, beverage, or other events we hold.

I remember coming to this lodge when it first opened in 1966. The move from 4th Street was a very exciting as well as challenging time as moving always is.

The Board has been talking about the building we are in and the increasing costs of repair it takes to keep it going. The result of this is we need to move to something that better fits our needs without all the upkeep and expenses that go with it. There is an article in this newsletter from the Trustees regarding the procedure we need to go through according to the Grand Lodge.

I urge all members to take the time to be a part of the next 50 years and make this an exciting adventure moving forward. There will be open discussions on this at the regular lodge meetings on the 1st Thursday of each month. PAID MEMBERS ONLY to attend.

Arlan Scholl – Lodge Secretary

Gaming News

Members and guests; fall is here, it will be nice to see everyone back from their summers.

The 900 club is going strong, we have extended the date for getting your meal in the TR Bar to October 18th. Thank you for your support on this. Remember we will be drawing prizes until the end of December so you still have several chances to win.

Our annual raffle will be starting up soon. Look for your tickets in the mail. This raffle is very important to our yearly charities so please consider selling or purchasing your tickets.

We have new games every quarter for our E-Machines, 24 games to choose from as well as pull tab deepening devices for your enjoyment.

Your chartable dollars at work have helped; Century High School Swim Team, BHS Swim Team, McQuade Children's Amputee Softball team, Pawsitive Advancement and Camp Grassick.

Arlan Scholl – Gaming Manager

From the Office

Thank you to all our members for supporting our club and community.

As the days get shorter, and fall begins to set in, we here in the office are gearing up for our winter activities, please stay tuned. We post our events on our web site and on our Facebook page, so don't forget to follow us!

Seafood Saturday starts October 18th from 12-2. Trivia will also be starting the 18th of October, with a new start time of 2:30 PM.

Quick update: We have extended the redemption date on the 900 Club meal vouchers to October 18th.

I would like to take this opportunity to introduce myself for those that have not met me yet. I am Staci the new Bar Manager. I have many years' experience in this industry managing and serving the public. I look forward to creating more lasting friendships, and appreciate all that have welcomed me with open arms.

My personal goal is to bring more fun and excitement for our current members, and to bring in more new members. I have some new ideas, but I would love to hear more from you our members. My door is always open.

We have added a broader selection of NA Beer, added to our flavored carbonated alcohol selections, brought in some new alcohol selections, and brought back some old favorites. We now have a new shot menu that will change with each season.

On behalf of the Office and Management staff I would like to thank all the member that continue to support us with their patronage. I would also like to thank all the volunteers that continue to work to support the club, but especially those that help out the staff when things get crazy. We could not do this without you!

October 2025

I am delighted to tell you the Bismarck Mandan Elks Men's Chorus is back after our summer break. Our rehearsals start once again on Tuesday, October 7th at 7:00 p.m. at the Elks Club in the Beaudoin Room. Rehearsals continue every Tuesday thereafter. #15214

We are looking for opportunities to sing, so keep us in mind. We will be working up Christmas songs for December. We hope

the weather will allow us to sing again as Christmas has always provided us with a full schedule of mini-Christmas concerts at local care centers.

Our Elks Chorus director Gloria Knoll will work us back into good shape with the assistance of our accompanist Linda Fisher and substitute accompanist Vicki Martel.

We would love to have more men join us. Stop by and join us if you enjoy singing.

Contact our Clare Carlson at 701-220-2792 or email him at cacgfk@aol.com. You can also call me Bob Wefald at 701-595-2401 or email me at bobwefald@msn.com.
